

Winter Homeschool Retreat 2012

Session 1 – February 14 – 16, 2012

Session 2 – February 21 – 23, 2012

Theme: Winter Travel

Description: Pack your warm woollies cause we are heading out on an exciting winter expedition. This season we are layering up the learning and fun as we explore various means of winter travel – Cross-Country Skiing, Snowshoeing, even Dog Sledding! But the excitement doesn't stop there. Be sure to pack extra mittens because this hands-on retreat will also have students building Quinzees, along with friendships, as they enjoy three action-packed days at Camp Crossroads!

Please note that we have a new and revised schedule: **The retreat begins with lunch on Tuesday* and concludes with lunch on Thursday.** Please see our website for a full schedule

The rates for this retreat are as follows:

These rates were created on the premise that a parent is able to help with serving and clean-up, to help reduce our staff needs (and thus expenses). This help is on a rotation basis and is only for a few meals throughout the retreat. Camp Crossroads will provide the food, accommodation, curriculum, teaching supplies and teaching staff.

1 Child \$200

2 Children \$270

3 Children \$330

\$50 for each additional child in the program

A second parent is \$50.00.

Children (over 3) who are not involved in the program are \$30.00 each.

Children under 3 are Free, but should be listed on the registration form.

(All taxes are included in the price)

What to bring: Bedding, pillows, towels, toiletries, health cards and any medication you family may need, and outdoor clothing. (Students will need to be dressed sufficiently for outside sessions) Camp Crossroads will supply all equipment necessary for activities, but personal ice skates would be best to bring.

Here are the basic retreat and program expectations:

1. Outside of classroom time, parents are responsible for the supervision of their children unless otherwise stated. There will be led evening programs, free time options, etc.
2. Children registered for the program are expected to attend all classroom sessions. Activities are developed based on number of registrants and if some students do not show up then the program can be affected.
3. The retreat starts with Lunch on Tuesday. *(Arrive and register any time after 9:00 AM)
4. At meal times, there are to be at least two adults to every table to assist with supervision of cleanup.
5. Use of the hot chocolate machine should be limited to meal and snack times (that's 6 times a day!). Parents, please help younger children pour their hot chocolate.
6. The kitchen is for camp cooks only and those assisting with meals. If you require use of a refrigerator or microwave there is one located in the neighbouring lobby. Any other dietary needs should be communicated to the camp office prior to your arrival.
7. Because of the number of Camp Crossroads staff involved in the spring session, we do not require additional volunteers. All older, non program children should be on the registration form. (we can make accommodation for older children, who are friends, to stay together, if desired. Please note that on your registration form
