

LOOKING FORWARD TO 2023

RENOVATING THE FLOORS IN GREY GABLES: \$26,000

WE HAVE HAD SOME VERY GENEROUS DONORS PUT THEIR TIME AND MONEY INTO REPAINTING GREY GABLES. THE FLOORING IS NEXT ON THE LIST AND IS NEEDED TO PROVIDE A CLEAN AND WELCOMING ENVIRONMENT TO OUR GUESTS WHO STAY THERE.

NEW WELL SYSTEM: \$35,000

IT WAS AN ANSWERED PRAYER WHEN WE STRUCK WATER DURING THE DRILLING OF THE WELL. THERE ARE A FEW MORE STEPS BEFORE WE CAN SWITCH OVER FROM LAKE WATER. THIS SWITCH IS VITALLY IMPORTANT AS THE QUALITY OF THE LAKE WATER HAS BECOME MORE PRECARIOUS AND AN ALGAE BLOOM COULD KNOCK OUT OUR WATER SOURCE FOR UP TO TWO WEEKS.

REDOING CABIN ROOFING: \$45,000

VERY IMPORTANT TO KEEP ALL OF OUR CABINS FUNCTIONING AND FREE OF RAIN WATER AS WE HEAD INTO SOME VERY PACKED SUMMER ACCOMMODATION WEEKS

REBUILDING CABINS 5&6 \$70,000/PER CABIN

CABINS 5&6 GOT DEMOLISHED THIS PAST MARCH AFTER ABOUT 60 YEARS AT CAMP. IN ORDER TO OPERATE AT FULL CAPACITY THIS SUMMER WE NEED THESE TWO CABINS TO BE REBUILT.

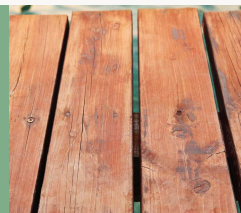

LOW ROPES ADDITIONS: \$18,000

OFFERING NEW AND EXCITING THINGS TO DO ON PROGRAM IS AN IMPORTANT ASPECT OF ENSURING RETURNING CAMPERS HAVE THE CHANCE TO TRY SOMETHING NEW AND MORE ADVANCED. HAVING NEW LOW ROPE ELEMENTS WILL ACCOMPLISH JUST THAT.

NEW DOCKS: \$22,000

IN 2021 THE MAIN SWIMMING DOCKS WERE REPLACED. IT IS NOW TIME FOR OUR T-DOCK AND OVERNIGHT SITE DOCK TO BE REPLACED.

WATERFRONT ICEBURG: \$13,000

SPEAKING OF NEW AND EXCITING! SINCE THE BLOB HAS BEEN OUT OF COMMISSION THERE HAS BEEN A GROWING INTEREST IN ADDING SOMETHING NEW AND EXCITING ON THE WATERFRONT. WE KNOW KIDS WILL LOVE IT!

OUR PROGRESS
